Many Voices One Dunwoody

Bring Your Neighbors. Bring Your Friends. Bring Your Ideas.

The City of Dunwoody is hosting a community meeting to discuss the Perimeter Center Area. This meeting is part of the development of Comprehensive Land Use Plan for Dunwoody, which will shape the future of the City for the next 20 years and how it develops.

That's government by and for the people—but we need your input! Your voice can have an impact on the vision for Dunwoody's next twenty years!

Join the discussion about Perimeter Center

- Today the Perimeter area attracts more than 150,000 people every day to work and play.
  - Forecasts call for that number to rise to over 300,000 in twenty years
- Office development is estimated at 60% capacity within the PCID
  - New growth will come as the economy turns
- Share your opinion and help us plan for the future of the Perimeter area

Simply can't come? Tap in to our city website www.dunwoodyga.gov and give your opinions. This is our city now, and we all have a voice in our choices.
