MEMORANDUM

To: Mayor and City Council

From: Michael Smith, Director of Public Works

Date: August 9, 2010

Subject: **Comprehensive Transportation Plan Presentation**

PURPOSE

We are beginning the initial inventory and data collection phase for the city's transportation plan. The consultant for this project, Arcadis, will discuss the purpose and scope of the project and a recommendation will be presented to create a transportation plan advisory committee.

PUBLIC INVOLVEMENT PLAN

Numerous opportunities will be provided for public input throughout development of the transportation plan including stakeholder interviews, 3 public meetings, 4 advisory committee workshops, 2 surveys and 3 council presentations.

Advisory Committee Composition

The advisory committee will provide feedback at key milestones throughout the development of the plan. The group will review information and provide comment into the process prior to each public workshop and will be asked to assist in promoting public input sessions. The recommended composition of the committee is as follows:

<u>One representative each from:</u>

1. Perimeter Community Improvement District
2. Dunwoody Chamber of Commerce
3. Perimeter Transportation Coalition

<u>10 citizens:</u>

4. Bob Dallas-Transportation Safety
5. Joe Seconder-Cycling
6. Tom Lambert-Safe Routes to School/Pedestrian

7-13. One appointment each for mayor and council members

RECOMMENDED ACTION

If the Mayor and Council are amenable to the proposed composition of the advisory committee, staff respectfully requests Council's committee appointments.
