## Community Update – Recent Burglaries in Dunwoody

### BOLO (Be On The Look Out)

The Dunwoody Police Department is currently investigating two separate burglaries that are occurring by two different individuals. We want to pass along the suspect's information in an attempt to keep a watchful eye out to preserve our community and apprehend these subjects.

The first BOLO is for a blue Chrysler PT Cruiser occupied by a white male with a blond beard. This suspect is described as looking like a "blond version of Zac Brown". When he arrives at a residence he rings the doorbell multiple times and then retreats to the back yard to check for entry points into the residence. This subject has hit in the Hallford area, with entrances off Mount Vernon and Dunwoody Club Dr.

The second BOLO is for a black Toyota Corolla with two black male occupants. The passenger of the vehicle is described as being heavy set black male and having unmanaged long hair. He was seen knocking on several residents doors, before kicking in a door to make entry into the residence. He has been seen in the Winters Chapel area.

We apologize for the vague descriptions; however, this is what we are currently working with. Please keep a vigilant watch for **any** suspicious persons or activity in your area and remember to call 911 to report this type of activity. Do not limit your suspicions to the above descriptions. If you have any information regarding these two subjects please let us know via **SUBMIT A CRIME TIP** on our website.

We also wanted to take a moment to thank those of you who have reported a white male who is soliciting children's books within the City. This subject is driving a silver Pontiac with Montana tags. This subject has obtained a permit to solicit through the City of Dunwoody. We appreciate those of you who have alerted us to his activity and wanted to make sure you all are aware that we are familiar with him.

Thank you.
