

RFP 10-03
DEVELOP A COMPREHENSIVE TRANSPORTATION PLAN
Addendum #1

Receipt of this addendum should be acknowledged in the space provided on the proposal form page 10 in the RFP document. Failure to do this may result in rejection of proposal.

Please note the following changes/clarifications in regard to the above reference proposal.

- Please submit one (1) signed unbound original proposal, five (5) bound proposals, and one (1) electronic copy of the proposal.
- Submit one (1) original cost proposal in a separate sealed envelope.
- The City of Dunwoody is committed to environmental sustainability. The City believes we have a unique opportunity to further expand our leadership in the area of environmentally preferable purchasing, and through our actions, elicit changes in the marketplace. By further incorporating environmental considerations into public purchasing, the City of Dunwoody will positively impact human health and the environment, remove unnecessary hazards from its operations, reduce costs and liabilities, and improve the environmental quality of the region. As such the City encourages the incorporation of environmental sustainability into proposals.
- Add the following to Part One 1.3 Other transportation data including traffic counts at the following locations:
 - Ashford-Dunwoody Rd.
